**TIA QuEST Forum Authorized Training Provider Application**

Please list the courses you currently conduct that are Telecom or Quality standards related, and any corresponding Accreditation in the table below:

Course Name	Accreditation

Please provide hard copy or electronic versions of the items below along with this completed form. Failure to provide all of the following in addition to complete responses to the above sections may delay processing time.

1. Your organization’s process/procedure for internal Train the Trainer.
2. An example of training course materials, ISO 9000, or TL 9000 related.
3. Training customer satisfaction data or statistics on each instructor taken from the last five (5) QMS courses instructed. Please provide a copy of any related procedures associated with the collection of data and the use of data for instructor improvement, as well as your procedures for trainer re-evaluation/re-assessment.
4. Please provide your process for delivering web-based training.
